## WRHS ACTIVITIES

### ATTENTION ALL:

*Congratulations to JC Heim and Hayley Legg on being crowned King & Queen of Courts 2024!*

Reminder for WRHS - we need YOU to build towers in the library's 3rd annual tower building competition! Visit the library with your class to see if you can build the tallest tower in your grade, a team, or overall!

*So far, the winning height belongs to Ms. Byers – 11ft 5in!*

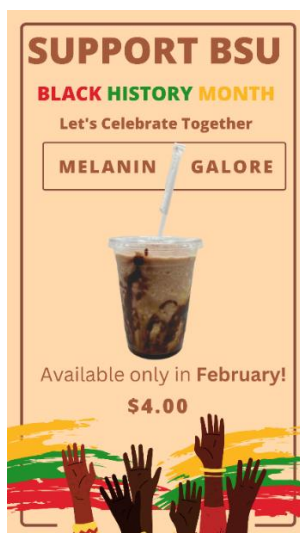

\$25,000 in cash prizes for students and teachers are available from the Stossel in the Classroom essay and video contests. Get the details at [stosselintheclassroom.org/student-contests](https://stosselintheclassroom.org/student-contests)

Door Decorating Voting:

Thank you all for your participation in the door decorating competition. There are some really cool doors out there! Please take a minute to look at these awesome door decorations and vote for your top 2.

Voting ends Tuesday, February 20th at 4:00pm. Voting is open to ALL students and staff at WRHS.

This year's Black History Month drink, Melanin Galore, will be available the whole month of February to celebrate Black History Month! It is a mocha, chocolate, and caramel blender that one of our BSU leaders, Jayden Grabauskas, came up with. It can be made as a latte as well. Yum!

The Library Keva Plank Tower Building Competition is BACK!!!

Visit the library between February 1st and February 29th for your 15 minute, timed, tower building attempt.

Remember - you can build as many towers as you want during the month, compete against your grade, in teams, or staff members, and there will be prizes for the tallest tower for each category! Have fun!

Don't forget that the Polar Plunge is coming up fast! There is still time to register. If you have any questions, please contact Rosemary Homeyer at [homeyros@usd437.net](mailto:homeyros@usd437.net)
